10TH ANNUAL FALL FUNFEST

WELCOMES NEW AREAS AND EXCITING CHANGES

COOKEVILLE, TN – For 9 years, the annual Fall FunFest event has brought great food, foot-stomping music and eclectic arts/crafts and demonstration booths to Cookeville's historic downtown square. For its milestone 10th year, the festival is changing a few things, adding a few things and gearing up for an incredible celebration.

One of the most exciting additions this year is Teen World. Fall FunFest invited area high school students to help create this area with activities, music and demonstration specifically for teenagers. The result should prove to be amazing. Bank of Putnam County is presenting a high school battle of the bands offering budding musicians a chance to rock the stage. There also will be a karaoke contest, skateboard demonstrations, contests and free skate time on custom built

ramps in the Full Throttle Skatepark, a video game area for single play or player-to-player challenges and live music on the Obscure Café Stage just for the teen set. JWC Broadcasting, parent company to popular area radio stations Kicks 106.9FM, Lite Rock 95.9FM and B-Rock 93.7FM, will bring out radio personalities to host the area, introduce to bands and just have fun.

The 16th Annual Cookeville CookOff presented by Corona has become the place to be on the event's opening night. Friday, September 9th chow down on barbecue ribs, chicken, pork sandwiches, fried veggies, and more, or satisfy your sweet tooth with cakes, pies, smoothies and ice cream. Stone Brothers Welding, BB&T/Legge Insurance, Premier Diagnostic Imaging, Automation Tool Company and Cookeville Regional Medical Center are making the 16th Annual Cookeville CookOff presented by Corona possible.

For the first time, the Eloqui Wireless Fun Run course has been officially certified. The courses are now exactly 5 kilometers and 10 kilometers long. This will certainly add credibility to the run. We have also moved the water station so that those running the 10k will actually pass the water station twice. The run starts promptly at 7:00 am. For more information or to download an application, go to www.fallfunfest.com.

The 10th Annual WCTE-TV's Stations of Imagination, with fun, educational activities for younger kids, is bringing two Sesame Street visitors never before seen in Cookeville. Walkaround Bert and Ernie from the Sesame Workshop will meet and greet kids of all ages Saturday, September 10th in the WCTE-TV's Stations of Imagination area.

The 10th Annual Fall FunFest is once again a free community event because of event sponsors like Coca-Cola, Bi-Lo, Eloqui Wireless, Streamliner Creative Agency, Regions Bank, Putnam County Clean Commission, and Baymont Inn & Suites. Special thanks also go to community partners Better Living Patios, First National Bank of Tennessee, Jackson Bank & Trust, Whitson Funeral Home, Smith Pharmacy, Medical Specialists of Cookeville, Wimberly/Lawson/Seale/Wright/Daves and AmSouth Bank.

For more information about Fall FunFest or any of its activities, please contact Dennis Freeman, event director, at (615) 445-5077 or via e-mail at dennis@freemanenterprises.com. Check out the Fall FunFest website – www.fallfunfest.com, hosted by N2The Net.
