COOKEVILLE – CityScape and The Fall FunFest Organizing Committee are proud to announce dates for the 10th Annual Fall FunFest. The two-day event will take place Friday and Saturday, September 9th and 10th in historic downtown Cookeville. Such performers as Delbert McClinton, Marcia Ball, Jonell Mosser and the Fabulous Thunderbirds have headlined in recent years, and the committee expects another exciting line-up in 2005.

The 16th Annual Cookeville CookOff, the Tennessee State Championship for the Kansas City Barbecue Society, and the 10th Annual WCTE-TV's Stations of Imagination again will be cornerstone attractions of Fall FunFest. The 5th Annual Eloqui Wireless 5K/10K Fun Run, a

great variety of food concessions, the Family Fun Zone and the TACA Arts & Crafts area will also be highlights of this year's event.

CityScape and the Fall FunFest Organizing Committee are also proud to announce the appointment of Dennis Freeman as Event Director of the two-day event, now in its tenth year. Freeman has been a consultant to the event since 1999.

"Dennis has been an instrumental and integral part of the festival for several years," said Kristie Phillips, Fall FunFest Organizing Committee member since the event's inception in 1995. "However, he may be a new face to many in the community since of all of Dennis' hard work up to this point has been behind the scenes. The end result is a better, more smoothly run festival for attendees. He has worked on some really incredible events, and we are fortunate to have him as a member of our team."

Freeman has been involved with the music business and special events for more than 15 years working with such clients as CMA Music Fest (formerly Fan Fair), the Country Music Marathon, Nashville Riverstages., The Country Stampede in Manhattan, Kansas; The Gore Family Re-Union Conference, the Oregon Jamboree, Metro Nashville's July 4th Celebration, the CMA Awards, Nashville Film Festival, the Celebration of Cultures, Governor Bredesen's Inauguration, and Summer Lights.

"It's hard to believe that we're celebrating our tenth year," said Dennis Freeman, Event Director. "We are working on several surprises, additions and exciting elements to commemorate the milestone"
